

Email suggestion for play equipment for the rec,

Received via contact form 27/10/2020

Re: Outdoor gym equipment at Battle Recreation Ground I think that an Outdoor Gym is a fantastic idea. A cross trainer would be a good addition. I also think it would be a good idea to replace the slide and climbing frame which was removed from the original play area (current swing area) as there is currently nothing for toddlers to play on safely or to challenge themselves with. There are some great examples of good play areas in Bexhill, Tenterden and Eastbourne, both of which include a sand pit, zip wire, in ground trampoline, a smaller climbing frame and slide suitable for young toddlers and role play areas (e.g. willow tunnels and boats). The pathway has been a great addition to the town and I will be taking my daughter's there to ride their bikes. Many thanks T
