5. **Correspondence & Communications**

The updated **enforcement cases** list was noted as having remained unchanged since the last report.

The latest **list of decisions** was noted as attached.

An **appeal** has been made **against the refusal of permission for the change of use** of part of an area of scrub/woodland on which to construct a car parking area ancillary to private residential use of the old school, **on land adjoining St John the Baptist Church (RR/2012/1964)**.

The Clerk had received, and replied to, a letter from **Claverham Community College** about **pedestrian safety in North Trade Road**. The response had confirmed that the Town Council is well aware of the mix of problems – speeding, congestion, obstruction etc – and regularly raises these issues with the Highway Authority and the police. The Clerk had suggested that, if they had not already done so, the College should also raise their concerns with these agencies.

6. **To Consider Planning Applications Received to Date**

RR/2013/1227/P

Netherhay, Whatlington Road

Variation of condition 2 imposed on RR/2013/120/P to reposition the garage.

7. **Matters for Information/Future Agenda Items**

Committee Members accepted Cllr Jessop's suggestion that, at the next meeting, it would be appropriate to discuss the ideas emerging from the Chamber of Commerce regarding possible changes to the **parking regime in the Mount Street and Market Square car parks**.

In closing the meeting Committee Members **thanked the Clerk** for the support he had provided for their work during his time with the Council.

8. **Date of Next Meeting: Wednesday, 31 July 2013**
