

Battle Town Council

LETTINGS POLICY

1. Introduction

- 1.1 The Town Council manage a variety of facilities which are made available for hire to users, including the Almonry meeting room, the Abbey Green (held under license from English Heritage) and sports facilities at locations around the town.
- 1.2 Letting of facilities is managed through the Town Council office, who will follow the guidance provided in this policy with respect to determining which users groups are permissible and deciding the appropriate rate for the hire.

2. Procedures

- 2.1 Users wishing to hire facilities should contact the Town Council with their initial enquiry. Provisional bookings may be agreed by telephone, subject to completion of a lettings form, detailing contact information, dates and times of hire, acceptance of terms and conditions and provision of copies of any requested insurances (i.e. public liability).
- 2.2 Users may book multiple recurring events, and the Town Council reserve the right to offer a reduced fee for regular users.
- 2.3 All bookings will be prioritised on a 'first come, first served' basis, unless otherwise agreed (see 3.2).
- 2.4 The decision as to whether to accept a booking or not rests with the Town Council office staff. Any complaint regarding the refusal of a booking should be addressed to the Town Clerk in the first instance.

3. Allowable Use

- 3.1 Generally, hire will be refused to any individual or group representing an organisation deemed not to be in the public interest, or where there is a realistic threat of damage or injury to either the facility itself, other users in the vicinity, Town Council staff or the general public.
